Dimensions: Calculated by adding together the width, height and depth of the piece of baggage. For international travel before 31 March 2013, total dimensions of the 3 pieces must not exceed 405cm (159in) and total dimensions of the 2 pieces must not exceed 270cm (106in) with no 1 piece exceeding 158cm (62in). For domestic travel, the total dimensions for each piece must not exceed 140cm (54in).

+Adults travelling with an infant (under 2 years) on Qantas operated services may check-in up to three infant items free of charge. See qantas.com/baggage for more details.

Interline travel: Qantas baggage allowance may not apply. If your travel on this ticket involves more than one airline, the baggage allowance of the most significant carrier in your itinerary will apply to each journey, except in relation to travel to, from or within the USA. Under US DOT regulations, if your travel to, from or within the USA involves more than one airline, the baggage rules of one airline will apply to all of the flights in your itinerary. This is determined by the first carrier in your itinerary. For travel between Australia and the USA, usually (both not always) Qantas' baggage allowance will apply to the whole itinerary.

Member Allowances: Qantas Frequent Flyer and Qantas Club member baggage allowances apply to travel on Qantas and QantasLink operated flights with a QF flight number on your ticket, excluding flights to or from Lord Howe Island and Mount Hotham. These allowances also apply to Emirates operated flights with an EK flight number between and within Europe, the Middle East, North Africa, Asia and Australia. These benefits are not cumulative.

Definitions: Domestic travel is travel that is not combined with any international flights on the same ticket. International travel is travel between two or more countries including any flight within those countries if it is combined with the international travel.

Codeshare Exceptions:**Economy**

2 pieces at 23kg (50lb) each on QF4021/4017/4018/4024/4025/4026 between Singapore-Narita and Singapore-Haneda;

General: No single item of checked baggage may exceed 32kg (70lb). Carriage of baggage is subject to space availability and any applicable aircraft weight restrictions, which vary. Baggage exceeding the specified allowance may need to be accommodated on a later flight.

Visit qantas.com/baggage or the "Planning & Booking - Baggage" page of jetstar.com for important information regarding baggage restrictions. For additional and excess baggage rates visit qantas.com/additionalbaggage or jetstar.com.

Enhanced Security Screening - Liquids, aerosols and gels

Enhanced security measures apply to and from Australia and on domestic sectors of international flights within Australia. Similar or more restrictive measures may apply for other countries. If you want to take liquids, aerosols or gels through the screening point, make sure:

- | each item is 100ml or less;
- | all items fit comfortably in a transparent resealable 1 litre plastic bag (only 1 bag per person is allowed)

Exceptions: Prescription and non-prescription medicines and baby products that you need for the flight, but please note:

- | proof of need may be required, and
- | additional security checks may be performed

Note - Duty Free items: Duty free liquids, aerosols and gels not exceeding 100ml per item may be taken onboard in your transparent resealable 1 litre plastic bag. Government screening requirements vary between countries around the world, and duty free liquids, aerosols and gels which exceed 100ml may not always be permitted through a screening point at all airports on your journey. If your journey includes a flight with a transit stop or a transfer to an onward connecting flight, you may be required to take these items through the transit or transfer screening points where you may be required to surrender the item, and it will not be returned to you.

Qantas recommends that you visit www.travelsecure.infrastructure.gov.au for more information.

Use of insecticides

Some countries require the cabin of inbound flights to be treated with insecticide.

For additional information refer to <http://www.dot.gov/office-policy/aviation-policy/aircraft-disinsection-requirements>

For domestic flights departing from an international terminal (flights QF001-399), you may be required to produce photo identification.

Some key conditions:

Travel Documents: It is your responsibility to comply with the requirements of the country to which you travel (for example, passports and visas). Your contact details (for example, destination accommodation arrangements), and your fingerprints and/or photograph may be required before entry into a foreign country.

Check-in: Deadlines apply and you may be refused carriage if you are late. View Qantas' check-in times at [qantas.com/checkintimes](https://www.qantas.com/checkintimes).

Oversale - Denied Boarding: If you are denied boarding because your carrier has oversold an international flight on which you are booked, you may be entitled to compensation in accordance with applicable regulations (for example, in the EU or USA), or carrier's policy. When required by applicable law or regulation, the carrier must solicit volunteers before anyone is denied boarding involuntarily. For Qantas' policy - ask at our international check-in counters.

Insurance: Travel insurance is recommended.

Liability Limits: If your journey involves a stop in a country different from that of departure, then the Montreal Convention or the Warsaw Convention may govern and limit the liability of all airlines for death or bodily injury and in respect of loss of or damage to baggage.

Approximate conversions of Special Drawing Rights (SDRs) are provided as a guide only and will be subject to change with currency conversion rates.

Where the Warsaw Convention applies, the carrier may be liable for damage occasioned by delay, subject to the Convention limit.

Defences: The Conventions provide certain defences to liability on which we may rely in some circumstances. For further information read the Liability section at [qantas.com/carriage](https://www.qantas.com/carriage).

Other Carriers/Non-Airline Transport: Except where you are travelling on a "QF" code, if Qantas issues a ticket or itinerary/receipt or checks baggage for carriage on another carrier, it does so only as agent for the other carrier and their conditions of carriage will apply to those services. The air carrier's conditions of carriage do not apply to any non-airline travel included in your booking. The operator's conditions of carriage may significantly limit or exclude liability. Ask your travel consultant for details.

Time Limit for Action: Any action in court to claim damages relating to your carriage must be brought within two years from the date of arrival of the aircraft or from the date on which the aircraft ought to have arrived.
